SUBJECT No 138

Decentralization of Municipal work.
Mr Karnik Krishnamurti Rao Magadi Taluk

Summary of discussion—Municipal work may be decentralized by the formation of Division and Mohalla Committees

Mr M Krishnamurthi Rao—A Committee should be formed for each mohalla or ward for municipal work. It is not always possible for a Municipal Councillor to give opinions about the conditions of the mohallas of which he is not a resident If Committees are formed in each mohalla it would be easy for them to know the various wants and needs and settle accordingly The mohalla Committees should of course be subordinate to the Municipal Council

Reply of Government—The proposal for a Ward Committee as in Bengal will be referred to the Legislative Department in connection with the amendment bill

Subd The question is under consideration in the main file — Municipal Regn Amendment file — which is before the Asst Secy The Presidents of the two cities whose views were called in the matter have stated that such Committees are unnecessary at present Please peruse my reports regarding Ward Committees in Bengal Dev

Municipal Acts of Bengal and the United Provinces provide for the ~~Constitution~~ of such committees. Necessary provision in this behalf may be made in the Mysore Rept on the lines of SS 50 & 55 of the Bengal Act. If necessary, the Hony Presidents of the two municipalities may be consulted.

The two Presidents on being consulted stated that such committees are unnecessary for the present. The question of making provision in the amending Bill does ~~not~~ therefore
